March Monthly Report (2/01/07-2/28/07)

Dear Ms. Winship:

I am writing in response to your letter dated July 13, 2007 regarding the above-referenced report filed by Genentech Inc. Political Action Committee (GENENPAC) (the PAC). Specifically, your letter concerns an accounting adjustment of \$5,257.00 disclosed on Schedule A supporting Line 17 of the Detailed Summary Page of the report.

For clarification purposes, the memo text disclosed on the PACs March monthly report covering the period 2/1/07-2/28/07 concerning the above adjustment is restated here in its entirety:

This report contains an accounting adjustment in the amount of \$5,257.00 to correct a discrepancy between the reported ending balance on the PACs February Monthly FEC Report and the PACs actual cash on hand. An audit of the PAC -- covering the PACs activity during the previous three years -- was conducted in attempt to trace the discrepancy, but the source of the discrepancy could not be identified. Pursuant to the advice provided by Jody Winship, the PACs FEC analyst, we have made this accounting adjustment and included it on Line 17 of the report.

As stated in the memo text of the report, an audit of the PAC covering the PAC s activity during the previous three years was conducted in attempt to trace a discrepancy between the reported ending balance on the PAC s February Monthly FEC report and the PAC s actual cash on hand. However, the source of the discrepancy could not be identified. Subsequently, the PAC brought this matter to the attention of the FEC, and pursuant to the advice received, the PAC made the accounting adjustment and disclosed it on Schedule A supporting Line 17 of the report. Since the date of the filing, no further information regarding the discrepancy has come to light.

Please let us know if any further information is needed.

Sincerely,

Leo Redmond, Treasurer
